2.2 Project Application

2.3 Designer/Client Relationship

2.3 Project Scheduling

Your Diary entries will help refresh your memory in detailing the degree of your participation, many specific activities and any other special tasks performed by you.

Since your exposure to these aspects of company practice depend totally on the level of involvement and degree of tutoring afforded to you, by the particular company in which you performed your summer practice, great variations may be expected, and will be taken into consideration when evaluating your report.

Your Diary entries, however, do indicate the degree of your validated involvement, and will, therefore, be consulted while evaluating the accuracy and completeness of the Summer Practice II Report.

5. Conclusion:

As conclusion you shall address in general terms the experience you gained in terms of your observations, experiences and your contribution to office practice. It is important that you should refer your own experiences to analysis the relationship between your education and business sector, to understand and gain the knowledge of the Interior architecture practice. To learn process of the discipline both technical, academic and related other disciplines. The aim of the report is measuring what you learned, and how you get involved to the process.

Conclusion part should be at least 2 pages.

6. Graphic Documentation:

This part is also **Mandatory** that you need to take pictures related to your report's body part. EX, if you mention about your involvement to one of the projects such as sketching entrance part of a house you need to add it at graphic documentation part. You are encouraged to add your own sketches and the documentations or drawings given by firm.

Please be selective while choosing your materials that they should really refer to meaningful details.

7. Appendix:

Appendix should contain CD. Inside CD, you should add your report and any documentation that related to practice. You can also put any material and drawings refers to your report. For example, if you have Autocad drawing of the project, you can add it here instead of printing it.

GENERAL NOTE OF CAUTION

Plagiarism

You are advised and strongly warned not to enhance any aspects of your report, either with activities not actually performed by you, or by inclusion of text from other sources. Information gathered from various industry sources, may, of course, be quoted directly, providing you properly acknowledge and identify its source.

All observations and comments offered in your report must be totally authored by you, even if you perform your Summer Practice with other students of your Department, in the same company.

Antalya Bilim University considers plagiarism a serious offence, resulting in severe disciplinary action.

COPYING OF DOCUMENTS

You are reminded to ask permission, before copying or collecting any office documents which you intend to submit in your report.

You are also strongly advised to collect any desired graphic documentation throughout your work term, not only at the last minute.
