*Thank you for taking the time to reflect on your lesson. Please consider the following points in your reflection. (Please write **minimum 350 words** in a **prose** format)*

- *Strengths of the lesson*
- *Things to consider (what did not go well in the lesson?)*
- *What would you do differently to improve sts' learning/ understanding?*
- *What learning points have come out for you from this teaching practice (TP)? Choose 2-3 areas for future action. (e.g. improving my instructions, doing more pair & group work activities, time management, etc.)*
