

## **IAED 1001 Interior Design Studio I**

Prerequisite: None

Credit: (4 + 4) 6

As a fundamental course for Interior Architecture and Environmental Design, the purpose is to introduce the design principles. Through different exercises, students will be able to improve their concrete and abstract thinking and develop their skills in solving the design problems. One of the main purpose is to help students design and define 2 and 3 dimensions of space by using variety tools and methods.
