

IAED 2002 Interior Design Studio IV

Prerequisite: IAED 2001 Interior Design Studio III

Credit: (4+4) 6

Within the scope of this course, which is based on the principles and visual elements taught in Interior Design Studio III, it is aimed to help students create a quality space (80-100 m²) for shopping experience. Through critical thinking and consideration of design principle, this course includes discussions, presentations, practices and modules related with concept, function and design methodology.
