

IAED 2102 Computer Aided Technical Drawing

Prerequisite: IAED 1102 Technical Drawing II

Credit: (2+2) 3

It is aimed to teach student basic digital presentation techniques as well as using AutoCAD computer program as a design tool. The aim is to familiarize students with visualization techniques in architectural design and to develop strategies for learning AutoCAD computer program; with the help of the program, it is taught to draw, to combine existing drawings and to print.
