

## **IAED 3001 Interior Design Studio V**

Prerequisite: IAED 2002 Interior Design Studio IV

Credit: (4+4) 6

The focus is on eating and drinking places and students will experience different design strategies that cover different dimensions of interior architecture. Within this content, students are expected to understand the relationship between the built environment and materials and also develop strategies about necessary spatial requirements of space, building technology and environmental and human factors (100-120 m<sup>2</sup>).
